

## Genesis 38 — Judah & Tamar

### **Warm-Up Question:**

Share some of your new year resolutions or goals. Share any goals you have regarding your relationship with God.

### **READ: Genesis 38**

- ▶ How do you know from reading this passage that the Bible is not simply a book of moral stories showing you how to be a better person (see especially v. 2, 9, 15-16, 24)?
  
- ▶ Discuss your thoughts of God's justice regarding Er (v. 7) and Onan (v. 9-10).
  
- ▶ In what ways do we see Judah move toward spiritual health in v. 25-26?
  
- ▶ How easy does such honest repentance come in your life to those in your family or others around you?
  
- ▶ Read some of the people from Jesus' genealogy from Matthew 1:3. How does this demonstrate this main point:

### **Jesus is not ashamed of the people in his family**

- ▶ Read and discuss what truths are in Heb. 2:11 and 11:16. What personal significance is it to you that God is not ashamed to have you in his family?

**What is one main take-away you want to apply in your life this week?**
