The Gospel of Luke: *Meeting Our Savior*

Warm-Up Question:

What are different types of healing that people need in life other than physical? Are there any of these areas in your life now where you'd like to see healing?

READ: Luke 5:12-26

I. THE HEALING LOVE OF JESUS: THE PROBLEM

- ▶ Describe the problems these two men had and the different forms of healing they needed. (Put yourself in their shoes. Think physically, socially, etc.)
- ▶ How does their brokenness and inability to heal themselves parallel our spiritual condition before God?

II. THE HEALING LOVE OF JESUS: THE POSTURE

- ▶ What did the faith of these 2 men look like? What did they believe about Jesus?
- ▶ Why is it difficult to receive grace? What can we learn from them about how to live by faith in our areas of brokenness?

III. THE HEALING LOVE OF JESUS: THE PRONOUNCEMENT

- ▶ Read v. 13 & 20. What is amazing about how Jesus responded to their faith?
- ▶ “I will”=“I desire”(v.13). Think of a needed area of healing in your life and God saying directly to you, “I desire to heal you there.” How does that affect you?
- ▶ How and why is God often more interested in your inner healing than physical?

IV. THE HEALING LOVE OF JESUS: THE PROOF

- ▶ What was the proof Jesus had authority to forgive sin (v. 24-25)? How does the resurrection prove his authority to forgive all your sin (desire to heal you)?

V. THE HEALING LOVE OF JESUS: THE PRAISE

- ▶ What was the reaction to Jesus’ healing (v. 15, 25-26)? What can we learn from them, and what might that look like practically in our daily lives?

What is one main take-away you want to apply in your life this week?
